

SMART Train Trip Itinerary

“The SMART way to Independence”

Find out how easy and convenient it is for seniors and people with disabilities to ride the smart train. Join us for a trip to San Rafael without sitting in traffic!

We will begin with a SMART official who will talk with our group at the Railroad Square Santa Rosa station before we depart. Once we arrive in San Rafael, we will tour Whistlestop Senior Center at the train station. Whistlestop promotes the independence, well-being and quality of life for older adults and people living with disabilities in Marin County. You will have an hour and a half of free time to enjoy a lunch and shopping in downtown San Rafael. We will then meet back up at Whistlestop and walk over to Marine Center for Independent living where we will listen to a presentation from our fellow Independent Living Center.
